

GARDEN GATEWAY PROJECT

The Community Gateway to Building Food Self-Reliance

Free Gardening Workshop!

SATURDAY, January 12, 2013

9 am – 12 noon

GARDEN GATEWAY

Followed by Healthy Food Map Presentation

EXPO Center/CSU Urban Farm

3980 S. Bill Robertson Lane. LA, CA 90037

(Corner of King Blvd & Bill Robertson Lane. Formerly Menlo Ave.

Next to the senior center)

Fruit Tree Care and Pruning!

Come learn how to care for your fruit trees to ensure an abundant harvest for your next season. Participants will receive a voucher that can be exchanged for a free fruit tree from Tree People at a future event. Details will be given to participants at the workshop.

Brussels Sprouts

Come learn new and tasty ways to make this versatile little vegetable a frequent guest at your table. Attendees will take home information and ingredients to make recipes at home.

Where Can I Eat Healthy in South LA?

Join us right after the gardening workshop for a presentation of the Healthy Food Map for South LA.

To RSVP or With Questions call 213 746 1216

Be prepared to be present for the entire class and wear appropriate attire!
